Dear Mr. Gushee:

Re: Final Approval, Permit Amendment, Amount & Form of Reclamation Surety, Sevier Dry Lake Project, M/027/008-89(1), Millard County, Utah

On August 24, 1989, the Board of Oil, Gas and Mining signed the Board Contract and Reclamation Contract, effectively approving the amount and form of reclamation surety provided by Crystal Peak Minerals Corporation for the Sevier Dry Lake Project. Crystal Peak Minerals Corporation has completed all of the permitting requirements to finalize approval of the permit amendment.

I have enclosed a copy of the signed and notarized Reclamation Contract and Board Contract for your records. Thank you for your cooperation in completing this permitting action. Should you have any questions, please give me a call.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
